## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

| sources  |                              |                                  |  |                                 |  |  |
|--|------------------------------|----------------------------------|--|---------------------------------|--|--|
| Supplier's name or trade mark: FIAI  |                              |                                  |  |                                 |  |  |
| Supplier's address: Vertrieb, Egerbach 48, 6334 Schwoich, AT   |                              |                                  |  |                                 |  |  |
| Model identifier: 113384   |                              |                                  |  |                                 |  |  |
| Type of light so   | urce:                        |                                  |  |                                 |  |  |
| Lighting techno  | logy used:                   | LED                              | Non-directional or directional:  | DLS                             |  |  |
| Light source cap-type  |                              | WIRE                             |  |                                 |  |  |
| (or other electri  | ic interface)                |                                  |  |                                 |  |  |
| Mains or non-mains:  |                              | MLS                              | Connected light source (CLS):  | No                              |  |  |
| Colour-tuneable  | e light source:              | No                               | Envelope:  | -                               |  |  |
| High luminance   | High luminance light source: |                                  |  |                                 |  |  |
| Anti-glare shield:   |                              | No                               | Dimmable:  | Only with spe-<br>cific dimmers |  |  |
| Product parameters   |                              |                                  |  |                                 |  |  |
| Parameter  |                              | Value                            | Parameter  | Value                           |  |  |
| General product parameters:  |                              |                                  |  |                                 |  |  |
| Energy consumption in on-<br>mode (kWh/1000 h), rounded<br>up to the nearest integer   |                              | 148                              | Energy efficiency class  | D                               |  |  |
| Useful luminous flux (φuse), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) |                              | 17 000 in Nar-<br>row cone (90°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 5 700                           |  |  |
| On-mode power (P <sub>on</sub> ), expressed in W   |                              | 148,0                            | Standby power (P <sub>sb</sub> ),<br>expressed in W and<br>rounded to the sec-<br>ond decimal  | 0,00                            |  |  |
| Networked standby power (P <sub>net</sub> ) for CLS, expressed in W and rounded to the second decimal                                |                              | -                                | Colour rendering in-<br>dex, rounded to the<br>nearest integer, or<br>the range of CRI-val-<br>ues that can be set   | 80                              |  |  |
| Outer dimen-   | Height                       | 90                               | Spectral power dis-  | See image                       |  |  |
| sions without separate con-  | Width                        | 134                              | tribution in the range 250 nm to 800   | in last page                    |  |  |
| trol gear, light-  | Depth                        | 90                               | nm, at full-load   |                                 |  |  |

| ing control parts and non-                |                     |                              |       |  |  |
|---|---------------------|------------------------------|-------|--|--|
| lighting con-                             |                     |                              |       |  |  |
| trol parts, if                            |                     |                              |       |  |  |
| any (millime-                             |                     |                              |       |  |  |
| tre)                                      |                     |                              |       |  |  |
| Claim of equivalent power <sup>(a)</sup>  | -                   | If yes, equivalent power (W) | -     |  |  |
|   |                     | Chromaticity coordi-         | 0,329 |  |  |
|   |                     | nates (x and y)              | 0,343 |  |  |
| Parameters for directional light sources: |                     |                              |       |  |  |
| Peak luminous intensity (cd)              | 17 000              | Beam angle in de-            | 60    |  |  |
|   |                     | grees, or the range          |       |  |  |
|   |                     | of beam angles that          |       |  |  |
|   |                     | can be set                   |       |  |  |
| Parameters for LED and OLED lig           | ht sources:         |                              |       |  |  |
| R9 colour rendering index value           | 1                   | Survival factor              | 0,90  |  |  |
| the lumen maintenance factor              | 0,70                |                              |       |  |  |
| Parameters for LED and OLED m             | ains light sources: |                              |       |  |  |
| displacement factor (cos φ1)              | 0,90                | Colour consistency           | 3     |  |  |
|   |                     | in McAdam ellipses           |       |  |  |
| Claims that an LED light source           | _(b)                | If yes then replace-         | -     |  |  |
| replaces a fluorescent light              |                     | ment claim (W)               |       |  |  |
| source without integrated bal-            |                     |                              |       |  |  |
| last of a particular wattage.             |                     |                              |       |  |  |
| Flicker metric (Pst LM)                   | 0,0                 | Stroboscopic effect          | 0,0   |  |  |
|   |                     | metric (SVM)                 |       |  |  |

(a)'-': not applicable; (b)'-': not applicable;

Model placed on the Union market from 31/05/2017
